TRANSPORTATION COMMITTEE

February 13, 2013

The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 92% of Connecticut's population. We appreciate the opportunity to testify on bills of interest to towns and cities.

CCM supports House Bill 6025 "An Act Concerning Safety Training for School Bus Operators"

This bill would allow school bus companies and carriers, upon approval by the Commissioner of Motor Vehicles, to provide state mandated school bus operator safety training courses and evaluations in-house.

Allowing school bus companies and carriers to conduct their own training courses as approved and certified by the state could while not compromising existing safety requirements produce a cost savings to towns and cities. HB 6025 is a reasonable means of achieving efficiencies in this challenging economy.

CCM encourages the committee to support HB 6025.

If you have any questions, please contact M. Randall Collins Jr., Senior Legislative Associate for CCM via email rcollins@ccm-ct.org or via phone (860) 707-6446.
